

TREATMENTS 2025

# hydracial

Every Hydrafacial treatment starts with three simple steps.

## Cleanse

Deeply cleanses and exfoliates with a gentle peel to uncover a new layer of skin.

## Extract

Removes impurities from pores with painless gentle suction.

## Hydrate

Saturates the skin's surface with intense moisturizers and nourishing, personalized ingredients.

## Deluxe Hydrafacial

Face, neck and chest are included in this treatment and all are treated with a custom fit booster which is a concentrated serum to enhance the skin. This is followed by LED light therapy and there is additional time for extractions and facial massage.

90 minutes **220€**

## Signature Hydrafacial

Face is treated with the 3 steps of Hydrafacial along with a custom fit booster. Followed by LED light and facial massage.

70 minutes **180€**

## Standard Hydrafacial

Face is treated with the 3 steps of Hydrafacial followed by LED light and facial massage.

55 minutes **150€**

## Dermapen

Medical micro needling with Dermapen.

With this leading device the needle depth can be altered to treat all over the face. Even around the eye area. This collagen induction therapy is used in conjunction with medical grade products and followed with the Dermapen sheet masque for maximum results.

60 minutes **200€**  
with exosomes **250€**  
with copper peptide **250€**

## Dermapen with BioRePeel 250€

# D

## Deep cleansing facial

A deep cleaning of the skin including steam and extractions followed by an enzyme peel and masque to clear the skin.

50 minutes **80-100€**

## Bio RePeel

BioRePeelCI3 FND is an innovative biphasic peel. Biostimulating, revitalising and peeling actions indicated for the face, neck and décolletage with a 35% concentration of TCA as the main ingredient.

Minimum downtime with maximum results.

30 minutes **80€**  
Course of 4 **280€**
